Helix Industries is a proud Group Concern of 40+ years old “Mayur Tiles” which has crafted a niche for itself in Cement Concrete Industry through a value system committed to give the best quality product to its customers.

About us

We are one of the leading manufactures of Cement Concrete products like *Interlocking Paver Block, Terrazzo (Mosaic) Tiles, Cool Roof Tiles, Chequered Tiles, Heritage Designer Tiles, Kerb Stone & Grass Pavers* etc.

At our plant we are not just providing a wide range of Products, Colours and Textures but we are also committed to give our quality assured product which are customized and innovated as per our client's requirements.

We have a *state-of-the-art fully automatic* manufacturing facility to stay abreast of the developments taking place in this dynamic environment. All machines are equipped with batching & mixing plants which ensures *high strength & consistency* in product. We have also set up a modern test laboratory in our factories with *Calibrated Testing Machines and Equipment's* and each lot of tiles undergo strict quality control tests.
